DECLARATION FOR PATENT APPLICATION

As the inventors named below, we declare that:

We believe we are the original joint and first inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled "Static mixing device, discharge device and supply container comprising said mixing device, use of said mixing device and discharge method" the specification of which was filed on November 9, 2004, as International Patent Application No. PCT/EP2004/012637

We have reviewed and understand the contents of the above-identified specification, including the claims thereof, as amended by any amendment specifically referred to above;

We acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability as defined in 37 CFR 1.56, including material information which became available between the filing date of the prior application and the National or PCT International filing date of the continuation-in-part application, if applicable;

We claim foreign priority benefits under 35 U.S.C. 119 from European patent application No. 03026474.1 filed November 20, 2003, and have identified below any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed; and

All statements made herein of my own knowledge are true, all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that the making of willful false statements or the like is punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patents issued thereon.

POWER OF ATTORNEY: I hereby appoint Charles Winston Fallow, Reg. No. 28,946 and Allen P. Rosenberg, Reg. No. 24,946 as my attorneys to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.
